Red Fox Resources appointment to the Board

Red Fox Resources Pty Ltd (Red Fox) is pleased to announce the appointment of Dr Leon Pretorius to its Board of Directors.

Dr Pretorius is the Executive Chairman of Chase Mining Corporation Limited (ASX:CML) and joins the Red Fox Board on completion of a \$600,000 strategic placement by CML (3 November 2020).

Dr Pretorius brings a wealth of experience to the board of Red Fox. He is a Geochemist with 49 years' international mineral and mining experience.

Since settling in Brisbane in 1978 he has worked on varied commodities with discovery success in gold, industrial minerals and uranium, both in Australasia (mainly Queensland) and southern Africa. Open pit mining and mineral processing experience has been gained in Gold, Industrial Minerals, Uranium and Tungsten.

Corporately, he has been involved as a public listed company director in Australia (and overseas) since 1985, more recently as a Director of Paladin Energy until April 2005; Managing Director of Deep Yellow Limited until March 2010; and Executive Chairman of Carbine Tungsten until July 2013. He joined the board of CML (then Krucible Metals Limited) in 2014 and has been its Executive Chairman since that date.

About Red Fox Resources

Red Fox Resources is a private mineral exploration company and project generator that was founded on a strategy to acquire **high-quality, advanced exploration targets** with the potential to rapidly add value. It is focused on exploration for large copper, gold and zinc deposits, with seven wholly owned, granted tenements located in the highly mineralised Mt Isa and Georgetown districts of north Queensland. The company holds three EPMs in the Ernest Henry area targeting IOCG style copper/gold deposits.
