### **Ernest Henry South Farm-In - withdrawal**

Red Fox Resources Pty Ltd (Red Fox) wishes to announce that following a technical review of the results from the 2020 drilling program, Rio Tinto Exploration Pty Ltd (RTX) has advised that it has decided to withdraw from the Ernest Henry South Farm-In, effective 10 June 2021.

On receipt of the data and related information from RTX, Red Fox will review the tenement to decide what future program is warranted in the area.

#### **About Red Fox Resources**

Red Fox Resources is a private mineral exploration company and project generator that was founded on a strategy to acquire **high-quality, advanced exploration targets** with the potential to rapidly add value. It is focused on exploration for large copper, gold and zinc deposits, with seven wholly owned, granted tenements located in the highly mineralised Georgetown and Cloncurry districts of north Queensland. The company holds three EPMs in the Ernest Henry area targeting IOCG style copper/gold deposits.

Further information about the company and its projects is available at:- <http://www.redfoxresources.net.au/>
